bert is also to be commended for his oratorical powers.

LOST FOREVER-

At last the long wished for has happened! The Laurels went down in defeat at the hands of the Cardinals and the Royals, thus losing the coveted thousand of which they were for so long the possessors. This makes the race for the pennant all the keener and leaves the prospects for an exciting race all the better. At the same time it should not cause Irene's bunch to "lose control," that team is as good now as ever, and hard work joined with level headed playing will make it interesting for Mellady's nine who now stand at the head of the list.

The game with Cathedral College of Chicago last Thursday turned out to be a "fizzle." Wet grounds made it very disagreeable, consequently the best efforts could not be made by either side. The fifth inning was not yet finished when the visitors requested to have the game called off on account of rain, with three of St. Joseph's men on bases. Their request was complied with, consequently the game was a draw. Cathedral College has a nine composed of good, hardworking, and at the same time clean future consequently players, Athletic relations with that College would certainly be disirable.

At the present time there is danger of the don't care spirit creeping into the players. Don't let this baneful enemy cause you to neglect your team; you owe it to your teammates to work your best. What if you are not at the head of the list; diligent practice and conscientious effort are the best means to reach that coveted goal and to carry off the prize at the end of the season. Be up and doing!
